Patient Registration Coordinator

POSITION SUMMARY

The Patient Registration Coordinator is responsible for the first impression a patient has of our clinic. The Registration Representative performs a variety of administrative tasks essential for the efficient care of patients at Ethne Health, including handling incoming calls, scheduling appointments, registering patients, interpreting for patients and financial counseling.

Experience: At least 2 years of experience in customer service, office work, or a clinical setting. Billing and/or patient financial services related experience and some knowledge of commercial insurance and Medicaid is preferred.

KEY RESPONSIBILITIES

- Answer inbound phone calls and function as a switchboard operator as necessary.
- Make appointments for patients, canceling and rescheduling appointments as necessary according to prescribed scheduling rules.
- Obtain and enter complete registration demographic and insurance verification information (primary and secondary) into EMR system
- Handle collection of co-pays or balance due payments with posting to EMR system
- Assist patients with contacting insurance companies when questions arise concerning services covered and payment of services.
- Process missed appointments, error reports, insurance pre-verification reports, and other registration-related reports as necessary.
- Provide face-to-face financial counseling for patients, notably uninsured/underinsured patients and explain eligibility and application requirements to patients for various programs.
- Collect pertinent documentation required for eligibility determinations, and assist or refer patients as needed to complete forms or applications related to their insurance coverage
- Work to find acceptable financial arrangements between patient and the clinic and to help patients understand the financial plan
- Place outbound calls to patients for the purpose of making appointments, appointment reminders, and follow up on financial plans.

POSITION REQUIREMENTS

Skills:

- Good interpersonal skills
- Ability to work well with the variety of ages, cultures, and temperaments represented among Ethne Health staff and patients
- Treat others with kindness and professionalism.
- Some computer skills required (Windows based, including experience with Microsoft Office) and telephone operator experience preferred.
